

Dentists for the Kids of Holland Bloorview Annual Golf Tournament

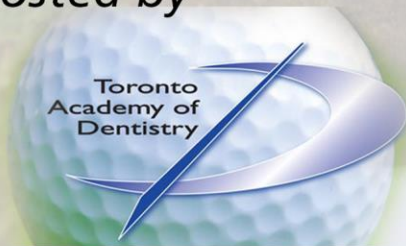

ANGUS GLEN GOLF CLUB

Sponsorship Opportunities

June 1, 2018

Hosted by

In support of

Holland Bloorview

Kids Rehabilitation Hospital

Annual Golf Classic

In 2017 the Toronto Academy of Dentistry was thrilled to donate \$26,000 to Holland Bloorview Kids Rehabilitation Hospital. Thank you to all our sponsors and golfers who helped make this happen! On Friday June 1st, 2018, the Toronto Academy of Dentistry is proud to present its Annual Golf Classic. Proceeds from this fundraising event have supported the dental clinic of Holland Bloorview Kids Rehabilitation Hospital by enabling the purchase of specialized equipment such as new ultrasound technology (to assist in the diagnosis and treatment of children with swallowing and feeding disorders) as well as important program enhancements. Thanks to our supporters, over \$410,000 has been donated to date.

Join other dentists, dental professionals and other businesses and enjoy:

- **18 holes of golf at Angus Glen Golf Club, Markham, Ontario**
- Networking and marketing opportunities, silent auction and prizes
- Opportunity to sponsor a cause that provides children with disabilities access to dental services they deserve

2017 Tournament

Last year's tournament was a huge success! A total of 138 golfers came out for a great day of golf and camaraderie and helped raise significant funds in support of Holland Bloorview's Dental Clinic.

THANK YOU to our 2017 sponsors for their generosity and support!
