The Winter Clinic Committee is delighted to report that the Hands-On presentations on the exhibit floor at 2008 Winter Clinic was extremely successful for those exhibitors. Our goal is to have every exhibiting company involved and to provide an area where dentists and their team may try your products or services so that they know what works best for them. To that end we are prepared to offer one extra space to each exhibitor at a cost of \$500.00 + GST per space. For exhibitors who contract adequate space to provide a hands-on area within their booth space there will be no additional costs incurred. However, please complete the information section below for advertising purposes within our program guide and attach to your contract for exhibit space.

Providing you are contracting 2-5 booths and the same number of exhibit spaces or greater than 2008 Winter Clinic, the Academy is willing to provide you with an additional 10X10 space, piped and draped the same as any other regular space(s) It will also include one double electrical outlet. All other requirements within the hands-on area such as furnishings will be the sole responsibility of the exhibiting company.

Hands-on presentation title: _____

This presentation must run continuously during exhibit floor hours (10 – 6 p.m.)

If your Hands-On presentation involves a licensed dentist not employed by your company, this must first be cleared through the Academy office. Otherwise the dentist's registration fee will be levied to your company.

Please give our "Hands-on Theme" for 2009 Winter Clinic serious consideration before you complete your contract. *We look forward to hearing from you and in your participation of the hands-on presentations to make 2009 Winter Clinic the most successful event ever!*

TO PROPERLY ADVERTISE YOUR HANDS-ON BOOTH, WE REQUIRE YOUR FIRM COMMITMENT BY JUNE 24TH, 2009 TO MEET THE DEADLINE DATE FOR PUBLICATION IN OUR WINTER CLINIC PROGRAM GUIDE

PLEASE INCLUDE ADDITIONAL FEE ON THE CONTRACT FOR EXHIBIT SPACE
